

Mahzooz helps Future Rehabilitation Centre establish a multi-sensory facility for learners of determination.

The donation from Mahzooz enabled Future Rehab Centre to create a safe space for children and young adults of determination to interact and express creatively.

DUBAI, UNITED ARAB EMIRATES, May 4, 2023 /EINPresswire.com/ -- Press Release:

[Mahzooz](#) helps Future Rehabilitation Centre establish a multi-sensory facility for learners of determination.

- The donation from Mahzooz enabled Future Rehabilitation Centre to create a new safe sensory space for children and young adults of determination to interact, enjoy physical stimulation of their senses, and express themselves creatively.

[EWINGS](#), the managing operator of Mahzooz, UAE's leading weekly draw with the biggest and most frequent pay-out, has sponsored Abu-Dhabi-based Future Rehabilitation Centre's multi-sensory room, a facility that provides sensory assistance to around 145 children of determination who are part of the centre's students.

Future Rehabilitation Centre's multi-sensory room is designed specifically to offer young students with Sensory Processing Disorder (SDP) customized sensory experiences through a variety of equipment. Using this facility will help students of determination benefit from improved coordination and motor development, heightened awareness of their surroundings, and a better engagement of their senses.

Established in 2000, Future Rehabilitation Centre currently caters to an average of 145 multinational young students of determination and offers them special education and therapy-based programmes to address their needs through Individualized Education Plans.

At the inauguration of the facility, Farid Samji, CEO of EWINGS, stated: "Educational technology

Mahzooz and Future Rehabilitation Centre Collaboration

has advanced significantly over the last decade. When we were discussing how Mahzooz could support Future Rehabilitation Centre, we realized that the centre could benefit from a cutting-edge sensory room because such specialised facilities are an important aspect of the teaching methodology for students of determination, and we felt that this was one project that Mahzooz could really help with. This is not the first time Mahzooz has supported causes related to students of determination because our draw is all about providing hope and enriching people's lives, not only through its weekly prizes but also through the support of academic institutions in their noble educational mission".

Mowfaq M.A. Mustafa, Director of the Future Rehabilitation Centre stated, "Many of our students have sensory processing disorders, and the new sensory equipment has helped them. We can now assist these students in overcoming their sensory challenges, thanks to the generous donations of organizations such as Mahzooz".

Mahzooz means 'lucky' in Arabic and is the UAE's favourite draw that offers participants a life-changing opportunity to win millions every week. For only AED 35, participants can purchase a bottle of Mahzooz water, and enter the weekly draw consisting of the Grand Draw, for a chance to win the new top prize of AED 20,000,000 and the new weekly Raffle Draw, which will grant AED 1,000,000 every week to a GUARANTEED millionaire-to-be. To date, it has created 41 millionaires and has given away over AED 410 million in prize money to more than 238,000 winners.

Mahzooz is dedicated to making people's dreams come true and giving back to the community.

Join Mahzooz, live the good life
