

Council of Peers announced to recognize achievements in Digital Infrastructure

LONDON, UNITED KINGDOM, May 4, 2023 /EINPresswire.com/ -- [Platform Markets Group](#), the producers of the forthcoming [Platform Global](#), the data center, digital and energy infrastructure forum in Antibes 3-5 September has announced a new Celebration of Industry Peers taking place during the event.

The Celebration is designed to elevate recognition of the achievement of people and businesses across the digital infrastructure sector.

“We are delighted to announce this new innovation to our events,” commented Gregory Gerot, co-founder and Managing Director of Platform Markets Group. “The Celebration of Industry Peers is a step change away from more traditional formats that have been used until now. We believe that the rigorous process for these accolades will underline the high value of these accolades and they will also be presented in a more informal setting.”

“

The Celebration of Industry Peers and the accolades are very special and provide a new and unique opportunity to recognize achievement in digital infrastructure markets globally”

Alex Rabbetts, Director at Corozon

Also announced is the new advisory Council of Peers to manage the process for the 2023 Global accolades.
