KAO Bar & Grill is a two-story unique concept of a shipping container restaurant that perfectly adds to Hallandale Beach's vibrant and diverse community. The restaurant is a 5,000-square-foot design hand-painted by artist Falopapas.

KAO offers indoor dining with floor-to-ceiling windows, an outdoor patio, and a 14-seat full bar. Customers can expect an immersive dining experience with Argentine grill-inspired cuisine.

"The Hallandale Beach Community Redevelopment Agency (HBCRA) is excited to have KAO Bar & Grill in Hallandale Beach and District 8," said City Manager Dr. Jeremy Earle. The HBCRA has invested over half a million dollars in positioning KAO in the heart of our community, District 8, confident that this restaurant will be a great addition to our city and the surrounding community."

District 8, where KAO Bar & Grill restaurant is located, has been undergoing significant redevelopment in recent years, transforming into a thriving design district focusing on innovative concepts and businesses. Adding KAO Bar & Grill to the district is a testament to the City of Hallandale Beach's and HBCRA's commitment to creating a unique, diverse, and progressive community for residents and visitors.

The grand opening of KAO Bar & Grill promises an unforgettable experience with a chance to sample some of their delectable menu items. There will also be chalk artists and possibly a live mural painting during the event.

Surrounding businesses in District 8 will support the launch of KAO by activating their space with light refreshments.

The City of Hallandale Beach encourages everyone to come out and celebrate the opening.

Parking will be available at the FEC Parking lot on NE1st Avenue and 3rd Street. If you would rather not drive yourself, the HBCRA is offering a 30-day promotion on Uber and Lyft for "D8 Night." Receive \$25 off per ride for two rides to and from KAO.
