The first tour will feature a group of 12 women riders, all of whom will be riding Royal Enfield 350cc Classic motorcycles Sri Lanka's lush interior, mountains, tea plantations, and UNESCO World Heritage sites such as Horton Plains, Dambulla, and The Knuckles Mountain range. The riders will also have the opportunity to see Sri Lanka's famous wild elephants in their natural habitat.

"We aim to create a community of women who share a passion for adventure and the open road."

The "Hidden Sri Lanka" tour is not just a motorcycle adventure; it's a cultural experience that allows riders to immerse themselves in Sri Lanka's rich history and vibrant culture. Participants will interact with local communities, taste traditional Sri Lankan cuisine, and explore the country's ancient temples and ruins.

As a media partner, [REVnTRAVEL](#) will document the tour and provide daily updates on the riders' progress, offering a behind-the-scenes look at this unique and unforgettable journey.
