The program is presented using online technology, eliminating the need for classroom or seminar attendance. This allows students to access course materials and lectures from anywhere with an internet connection. Taught in an Independent Study modality, students can complete their studies at their own pace during each eight week session.

William Howard Taft University has experienced faculty and relevant curriculum. The program presents current and focused information necessary to perform tax planning activities. Using many of the same reference materials found in the offices of tax professionals, the program provides the

conceptual understanding and technical competence advantageous for advancement in the tax consulting profession, corporate finance departments, and government tax agencies.

To assist students with the payment of tuition, the University offers a completely interest-free installment plan - each semester, the student only needs to make a 30% down-payment at the time of enrollment, followed by 3 monthly installments.

Taft University is committed to providing students with the highest quality education. With the convenience, affordability, and flexibility of the online program, students can complete their studies without sacrificing their career or lifestyle. Prospective applicants can request more information about the MST program by visiting <https://www.taft.edu/request-information>, emailing Admissions@Taft.edu or calling 303-867-1155.
