

Pulse Technology CEO Chip Miceli named to national magazine ENX “Difference Maker” list

One of a select group of professionals from across the nation to be honored...

SCHAUMBURG, IL, UNITED STATES, May 4, 2023 /EINPresswire.com/ -- Pulse Technology (<https://pulsetechnology.com>), a technology company serving the IT, Managed Print Services and other needs of businesses throughout the Midwest and beyond, announced today that company CEO Chip Miceli has been named to the coveted “Difference Maker” list by the national trade journal ENX Magazine.

The announcement was posted today by ENX Magazine, which published its annual “Difference Maker” list, featuring a select group of professionals from across the United States selected for this honor.

Each year, ENX Magazine seeks [peer and industry recommendations](#) for the people who are making a difference in the industry. Chip Miceli is described as

“energetic,” forward-thinking,” and “unflappable.” ENX recognized Mr. Miceli as someone who has navigated and grown the company since the late 1980s when he first joined the business that his father, Vince Miceli, founded in 1955 under the name Des Plaines Office Equipment. During his
