Born in the foothills of the Appalachian Mountains, in the small town of Gallipolis, Ohio, CW left his hometown at age 18 to join the Navy in Virginia. By the time he was 38, he knew it was time to close that chapter and start a new one. A job offer to move from his home state to Denver kept him busy from 2014 to 2017, but ultimately, he says the desire to pursue music full time took precedence. Today, CW and his band zig-zags the states, playing some of the region's hottest honky-tonks and dancehalls flecked across CO and the surrounding states, including the Million Dollar Cowboy Bar and the Outlaw Saloon (Cheyenne Frontier Days) in WY, the Beacon Icehouse in MO, Joe's Honky Tonk in NE, the Wichita Union Stockyards in KS, and the Grizzly Rose, Greeley Stampede and The Whiskey Baron in Colorado.
