About NYX Game Awards

The NYX Game Awards seeks to encourage and celebrate innovation and creativity in the gaming industry, while also promoting inclusivity and diversity. With the mission to reinvent current circumstances, NYX Game Awards aims to diversify award winners, through adopting an equilibrium for games, ranging from indie to AAA titles alike to ensure that all deserving professionals are recognized for their contributions to the industry, regardless of their budget or resources.

About International Associate Awards (IAA)

Established in 2015, the International Awards Associate (IAA) is a global organization that is dedicated to recognizing professional excellence and outstanding achievements in various industries. As the organizer of a wide range of prestigious award programs such as the MUSE Creative Awards, MUSE Design Awards, Vega Digital Awards, NYX Awards, NYX Game Awards, TITAN Business Awards, TITAN Property Awards, London Design Awards, NY Product Design Awards, and many more, IAA aims to honor, promote and encourage professional excellence, from industry to industry, internationally and domestically, through award platforms that are industry appropriate.
