## Trends

### Increase in the Use of Alternative Financial Services

Banks are understanding customer preferences and growing exponentially and also, and demand for check cashing services continues to grow in the market. Furthermore, customers are using pawn shops, payday lenders, and check cashing to meet their needs & avail of instant cash. For instance, around 9 million unbanked households in the US use check cashing services to supplement their current financial services options and this will enhance the growth of adoption & usage of alternative financial services.

### Check Cashing Banking Solution

The two key banking solutions that support cash checkers with the help of POS check cashing systems and check cashing software are the increase in national check & currency. Additionally, national check cashers in the market have a strong network of check cashing banks and they provide reliable and real bank account services to their clients. Thus, this strong bank network increases demand & usage for check cash services. Therefore, the check cashing solution is estimated to enhance enormously during the forecast period.
