NEW YORK, UNITED STATES, May 5, 2023 /EINPresswire.com/ -- Miratech, a leading IT services and consulting organization, welcomes Justin Kearney to its [senior management team](#) as the VP of People.

In his new role, Mr. Kearney will contribute to delivering transformational change, developing a high-performing global people function, implementing employee engagement models, and creating a bright employer brand.

“

We are thrilled to have Justin join our team, as his vast experience in leadership and people management will be instrumental in achieving our ambitious growth objectives.”

*Olga Skydan, Miratech senior Vice-President, Corporate Services*

Justin’s primary focus will be to lead and cultivate our organizational culture, strengthen employee engagement, and design and implement people practices that will enable sustained growth for Miratech.

Justin had a distinguished international HR leadership career spanning several industries. With over 24 years of successful experience in HR roles as part of executive teams, the new VP of People feels confident in his ability to maximize the efficient delivery of HR services and develop a culture built on empathy, resilience, and growth mindset. Previously, he served a nine-year tenure as the Group Senior Vice President of HR at Logically, a UK

communications technology organization and service provider and delivered outstanding results.

Over more than two decades of HR career, Justin obtained extensive experience in supporting business growth, digitalizing HR functions, and developing international teams, which are all

critical areas for Miratech's visionary growth plans.

“At Miratech, we strive to provide our employees with the best possible experience. We are thrilled to have Justin join our team as his vast experience in leadership and people management will be instrumental in achieving our ambitious growth objectives. Welcome aboard, Justin!” – comments, Olga Skydan, Miratech senior Vice-President, Corporate Services.

Justin is excited to join the Miratech team and make a difference, “I am delighted to be joining Miratech Group to lead the people function. I find it quite remarkable how the resilient team in Ukraine and around the world have not only been able to continue to support our customers despite the tragic events there but also delivered on our ambitious growth plans. I am very excited about supporting Miratech with the next stages of its development, building on the wonderful culture that is already in place.”
