

# AT Home Technology Service Takes Over PCS@Home's Legacy

MOORESTOWN, NEW JERSEY, UNITED STATES, May 9, 2023 / EINPresswire.com/ -- [AT Home Technology Service](#), a provider of residential IT support services, is proud to announce the continuation of [PCS@Home's](#) legacy by taking over its operations and providing technology solutions to individuals in New Jersey, Pennsylvania, and surrounding areas.

PCS@Home was started by Anthony Mongeluzo and Traci Jordan during the

Covid-19 pandemic to help families with technology services. However, they have now decided to solely focus their efforts on the business community while operating PCS. They have passed the torch to [Chris Gilman](#) and his company, AT Home Technology Service.

We're dedicated to simplifying technology for everyone and making it easy to use and understand. Our technicians are available 24/7 to provide fast, reliable, and friendly support."

*Chris Gilman, President, AT Home Technology Service*

In today's digital age, reliable and cost-effective IT solutions are becoming increasingly essential as more people work and study from home. Keeping up with the latest cyber threats and technology updates takes constant vigilance. AT Home Technology Service is committed to delivering the best in-class technology solutions and support services.

"We're dedicated to simplifying technology for everyone and making it easy to use and understand. Our technicians are available 24/7 to provide fast, reliable, and friendly support whenever individuals need it," explains Gilman.

AT Home Technology Service offers a range of services including: computer setup and repair, network configuration and troubleshooting, virus and malware removal, data backup and recovery, internet security solutions, and smart home installation and setup. The company's mission is to ensure that people can enjoy the benefits of technology without the stress and hassle of having to know it all.

Chris Gilman, President, ATHome Technology Service

A promotional graphic for AT Home Technology Service. At the top left is the company logo, a stylized house with a blue and red 'AT' inside. To the right of the logo is the text 'AT Home Technology Service' and 'Technology Never Felt This Good'. Further right, it says 'Call Today 856.291.6656' and 'IT Services for Home, for Family, for Life'. Below this is a dark blue banner with the text 'No More Confusion &amp; Overpriced Services'. The main body of the graphic features a central image of a person in a red and black suit holding a glowing red sphere, surrounded by several blue, translucent human figures. Text around this image includes 'QUICK', 'EFFICIENT', 'PATIENT', 'SIMPLE', 'SOLUTIONS', 'AFFORDABLE', and 'WE KNOW A THING OR TWO ABOUT DEALING WITH VIRUSES'. Below this are three columns: 'PHONE CALL' (describing immediate assistance), 'VIDEO CONFERENCE' (describing remote support), and 'IN HOME SERVICE' (describing on-site technician support). At the bottom, there is a 'SPECIAL OFFER' section with a QR code and contact information, and a 'SERVICE LIST' with bullet points: 'Home Office Setup w/Security Software', 'Internet Security &amp; Parental Controls', 'Smart Devices &amp; Phones/Tablets', 'Viruses/Spyware &amp; Slowness/Freezing', and 'Printers/Scanners &amp; Software Programs'. The website URL 'WWW.ATHOMETECHNOLOGYSERVICE.COM' is at the bottom right.
