ATLANTA, GEORGIA, UNITED STATES, May 5, 2023 /EINPresswire.com/ -- [GSB Architects & Interiors Inc.](#), an award-winning, Atlanta-based architectural and interior design firm, is proudly celebrating its 25th anniversary of serving the needs of the public and

private sectors both domestically and internationally. Since its inception, GSB Architects has grown to become a standout in the entertainment industry, best known for its work with sound stages, backlots, sets and other related entertainment industry facilities.

“

We love what we do and love to solve those complex projects for our clients so they can enjoy their built environment.”

*CEO and President Maria Guerra-Stoll*

Founded in 1998 by CEO and President Maria Guerra-Stoll and Principal William Barker, the Hispanic, woman-owned firm provides services for all phases of projects, from the inception of ideas to the build environment. In addition to its work in the entertainment industry, GSB Architects has built an impressive portfolio working with Fortune 500 companies in a number of industries.

“We sincerely appreciate everyone that has helped and supported us for the last 25 years,” Guerra-Stoll

said. “We love what we do and love to solve those complex projects for our clients so they can enjoy their built environment. Our partners and team have worked very hard, and William and I are eternally grateful.”

Over the last quarter century, GSB is proud to have worked on several standout projects that include but are not limited to: Tyler Perry Studios, The Mirabal Sisters’ Butterfly Cultural Amphitheatre in

Salcedo, Dominican Republic, AT&T Inc. data centers, PNC Bank Regional Corporate Offices (LEED Silver)

and Rome PAM Studios to name a few.

“We are proud of all the work we have accomplished during the last 25 years with our team of highly qualified architects and interior designers,” Barker said. “Building things has been in my blood since I was very young and I am proud to do this kind of work under the amazing visionary leadership of Maria Guerra-Stoll.”
