

# CVCU to Host Academic Summer Camp for Ages 4 to 11

*Affordable Summer Learning Experiences for Kids*

CHULA VISTA, CA, USA, May 5, 2023 /EINPresswire.com/ -- This June, Chula Vista Christian University will offer an academic summer camp for ages 4 to 11 at their Chula Vista location, 1227 Eastlake Parkway, Chula Vista.

Campers will share in the joy of hands-on learning in science experiments, messy art projects, and competitive athletics. High energy activities will engage students in the dynamic, mentor-driven model of education that is the hallmark of [CVCU](#)'s instructional methodology.

Arts and sciences offer students an opportunity for creative expression, while competitive athletics helps students gain an appreciation of the benefits of physical exercise. The CVCU summer camp program is designed to introduce students to the inquiry-based model of learning.

Dr. Lisa Dunne, president of CVCU, says that the university's preschool to college model serves to offer parent-driven, homeschool-based educational alternatives for students of all ages.

"CVCU is committed to serving the City of Chula Vista with affordable, innovative education," she said. "Our camp model caters to the needs and learning styles of our youngest generations, giving them the practical skills required for lifetime success in their future fields of study."

About CVCU: Chula Vista Christian University is a mentor-driven, faith-based, debt-free university offering in-person and online Bachelor of Arts and Science degree programs in business, computer science, mechanical engineering, psychology, nursing, political science, communication, pre-medicine, education, and entrepreneurship, with several emphasis
