“

Prince Abdulrahman's story is unbelievable but true, Dr. Gaye has unearthed two centuries of unspoken truths.”

*Professor Steven Haden*

In 2020, Dr. Artemus Gaye published the acclaimed book; "A Tossed American Pie" which stems from over ten years of research into Prince Abdulrahman's and his wife Isabella's life. Dr. Gaye's research examines and provides an analytical deep dive into the Trans- Atlantic Slave trade, the history of pre-colonial Guinea, Prince Abdulrahman's and Isabella's relationship, and historical records from both the National and Mississippi Archives. Dr. Gaye will reveal lost records that expose various connections of families

throughout; Adams, and Wilkerson Counties located in Mississippi, and the State of Louisiana where strong ties are linked to Prince Abdulrahman to its readers and at the upcoming Symposium on May 11th, 2023, from 6 pm until 9 pm, at the Natchez African Museum of History and culture under the direction of Mr. Bobby Dennis.

Dr. Gaye in May of 2022 traveled to Timbo Guinea and met the Royal Ancestral family of Prince Abdulrahman. This meeting led to a global collaboration led by Dr. Gaye, Princess Karen

Chatman, and Elder El Hadji Mody Oury Barry, resulting in a second trip to Guinea. On December 17th, 2022, Princess Karen Chatman alongside other American, Liberian, and Moroccan, representatives visited the sacred grounds of Timbo and meet with the Elders of Prince Abdulrahman's family.

The emotional and significant meeting paved the way for the Global search and uniting of all the descendants of Prince Abdulrahman by Gaye, Chatman, and the Elders of the Barry-Sori families of Guinea. The week of March 8th, 2023, Dr. Gaye alongside Elder El Mody Oury Hadji and Guinean Delegates will share the untold history at the Isabella and the Prince, " A Love Story-Twinning Cities".

Mayor Dan Gibson on May 9th will welcome the Guinean Delegates as well as Mayor Chokwe LuMumba of Jackson Mississippi on May 12th, 2023. The week will be full of events that are open to the public such as the meeting of descendants at the Natchez Convention Center, on May 12th.

The Friends of the Forks in the Road will also host the delegates for a walking tour of Natchez and of the former home of Thomas Foster where Prince Abdulrahman was enslaved. The day will end with a Breaking of Bread luncheon.
