opportunity to relax and network while enjoying breathtaking views of Monaco. The event also featured a stunning performance by [Web3](#) artist and creatrix VNCCII.

The MEWS Awards ceremony was a highlight of the event, recognizing outstanding achievements in the Metaverse industry.

The winners were selected by a distinguished jury, including experts and leaders. The awards ceremony featured world-renowned talent, and the first award was presented by H.S.H Prince Albert II of Monaco to John Linden for Mythical Games X NFL Rivals. The Community Award was presented to winner Adelina Mettera of World of Women, while the Pioneer Award was given to the talented young genius from Nice, Thomas Chenu, Chairman of Equitier. Ultimate disruptor Sam Altman was recognized with the Pioneer award for Chat GPT. The Music award was presented by the MEWS co-founder Steven Saltzman to VNCCII and Samantha Tauber for outstanding progress in the music Metaverse.

Keeping in mind a sustainable future, the Better world Award was given by Dr. Christina Yan Zhang to Tate Dooley for Backyard Farming. The MEWS Jury had such interesting nominees for the NFT collection, but finally recognized Daichi Mori as the winner for his amazing work. The Storyworld Award was presented to Zepeto x Bvlgari for one of Asia's largest Metaverse projects. The Impact Award went to Made by Eden, and the Innovation Award was given to Magic Leap.

The event also featured a truly magical performance by Les French Twins that captivated and left the audience completely awe-struck. The MEWS Awards ceremony recognized and celebrated the best and brightest in the Metaverse industry, with the winners demonstrating innovation, creativity, and dedication in shaping the future of the Metaverse.

The MEWS Summit and Awards was a huge success, bringing together some of the brightest minds in the Metaverse industry to share their insights and expertise. With Web3 rapidly

becoming an integral part of our digital future, events like the MEWS are essential for ensuring that innovators, entrepreneurs, and thought leaders are all working together to shape this exciting new world. The event was also live streamed into the Nowhere Metaverse. Keep an eye on the [www.themews.world](http://www.themews.world) website and @themewsworld Instagram handle for updates, and more information about MEWS nominees and award winners. The MEWS team is already looking forward to next year's event and the new developments and advancements that will be discussed soon with eyes set on May 2024.
