Specialist hotel asset auctioneers Pro Auction have been appointed to conduct a sale of furniture fixtures and fittings for the Dorchester Hotel in June 2023.

LONDON, UNITED KINGDOM, May 7, 2023 /EINPresswire.com/ -- With London's evolution, The Dorchester showcases its authentically restored interiors, enlisting the most renowned names in architecture and design for seamlessly reimagining the interiors from classic to contemporary, Pierre-Yves Rochon has created a world where guests feel at home and as an institution in its own right, Martin Brudnizki revived the world-renowned bar with a touch of 1930s glamour.

As the phase moves forward to the guest room areas, specialist hotel asset auctioneers [Pro Auction](#) have been appointed to conduct a sale of furniture fixtures and fittings in a two day auction sale in June 2023.

With the sale of the furniture, every piece from the existing rooms will find a new home without being thrown away.
