

Brightpoint Infotech, Microsoft Dynamics Gold Partner in Middle East & Africa Implements Business Central ERP for READO

Brightpoint Infotech, will Implement Microsoft Dynamics 365 Business Central for READO a leading non-governmental organization in Somalia.

DUBAI, UNITED ARAB EMIRATES, May 8, 2023 /EINPresswire.com/ -- With Microsoft Dynamics 365 Business Central serving as the robust enterprise system for the business, Rural Education and Agriculture Development Organization (READO) will be able to improve communication across all departments, streamline operations and deliver effective community development programs.

[Abdullahi Abdirahman Ali, Executive Director](#) for READO, said: "Our team did a thorough evaluation of all the major ERP vendors and selected Microsoft Dynamics 365 Business Central as it best suited our requirements. We selected [Brightpoint Infotech](#) because of their vast experience and successful track record in implementing ERP's for Global Non-profit organizations.

[Kumara Vijayan, Chief Strategy Officer](#) for Brightpoint Infotech said, "We are very honored to be partnering with READO in their digital transformation journey. Microsoft Dynamics 365 Business Central offers a comprehensive solution that meets the requirements of Non-profit organizations and we will work very closely with READO to make this project a success story. Through this initiative READO will digitize all their business functions from Sales, Supply Chain, Finance, HR & Payroll".
