sourcing and procurement services and trading company, today announced the launch of its Charitable Giving Model. As part of this model, CapFiX will donate a portion of its proceeds to support various charity projects in Malaysia, before working on other core operating markets.

In addition, CapFiX is expanding its product range under its [Healthcare PPE and Agricommodity](#) business divisions. The Healthcare PPE division offers a comprehensive range of

healthcare products and medical equipment to hospitals and healthcare facilities. The company supplies above industry-standard gloves and masks that provide high-quality protection for healthcare personnel. In addition, CapFiX offers a wide variety of medical equipment, including diagnostic tools such as electrocardiograms and pulse oximeters, surgical tables and obstetric tables, as well as sterilization drums and laminar flow cabinets. CapFiX provides specialized equipment for dentistry and other medical fields, including arthroscopy towers, colposcopes, and more.

CapFiX's Agricommodity offering is a diverse range of high-quality products sourced directly from trusted suppliers around the world. The commodities include edible oils such as sunflower oil and canola oil, as well as sugar such as ICUMSA 45 and beet sugar; corn, wheat, and soybean meal for animal feed. CapFiX also supply white corn for human consumption and other commodities based on clients' needs.

"CapFiX is committed to creating a positive impact in the world, and we believe that our Charitable Giving Model is an excellent way to do so," said Mr. RJ Liow, Managing Director of CapFiX. "Through our donations, we hope to make a difference in the lives of those in need,

while also providing our customers with the right quality products at competitive prices."

Capfix is currently operating in China, South America, GCC, Europe and Africa, supported by CapFiX Global Partners (CGP) network.
