has been named to Inc. magazine's

annual Best Workplaces list. Featured

in the May/June 2023 issue, which hits newsstands on May 16, 2023, and prominently featured on Inc.com, the list is the result of a comprehensive measurement of American companies that have excelled in creating exceptional workplaces and company culture, whether operating in a physical or a virtual facility.

“

The work that each member of our team has done to make our company a fun, collaborative, and healthy work environment is what makes AAE such a special place.”

An [industry-leading speakers bureau](#) and talent booking agency, AAE has booked over \$250M in talent for corporate and university event organizers over the past two decades. In recent years, the company has booked celebrities, thought-leaders, and industry experts, including Jessica Alba, Bob Woodward, Pitbull, Simone Biles, Dwyane Wade, Trevor Noah, Ken Jeong, Lewis Hamilton, and Martha Stewart.

After collecting data from thousands of submissions, Inc. selected 591 honorees this year. Each company that was nominated took part in an employee survey, conducted by

Quantum Workplace, which included topics such as management effectiveness, perks, fostering employee growth, and overall company culture. The organization's benefits were also audited to determine overall score and ranking.

“We are honored for AAE to be recognized by Inc. as a Best Workplace in 2023,” said Greg Friedlander, Founder and CEO, AAE Speakers Bureau. “I’m immensely proud of the company culture we’ve built here, and what’s really made the difference is our people. The work that each member of our team has done to make our company a fun, collaborative, and healthy work

environment is what makes AAE such a special place.”

“Being named to Best Workplaces is an honor that only a small fraction of companies have been able to claim,” says Inc. editor-in-chief Scott Omelianuk. “Proving to the world that you’re a magnet for talent and have a culture that keeps teams engaged, productive, and proud to come to work is a truly remarkable achievement.”
