

Thread is honored to be named one of Inc.'s Best Places to Work

Thread is proud to announce we have been named to Inc. Magazine's list of Best Workplaces for 2023, with special recognition in the Southeastern region to boot.

ALPHARETTA, GA, USA, May 9, 2023

/EINPresswire.com/ -- Inc. Magazine's Best Workplaces list comprehensively evaluates American companies that have excelled in creating exceptional workplaces and company culture, whether in a physical or a virtual

facility. This recognition is a testament to our commitment to fostering a positive, growth-minded workplace culture where employees can thrive and flourish.

After collecting data from thousands of submissions, Inc. Magazine selected 591 honorees this year. Each company that was nominated took part in an employee survey conducted by Quantum Workplace, which included topics such as management effectiveness, perks, fostering employee growth, and overall company culture. The organization's benefits were also audited to determine the overall score and ranking.

Our team at Thread HCM is committed to creating a positive, inclusive, and engaging workplace culture, and we are grateful for this recognition.”
