/EINPresswire.com/ -- Nth Degree Orthodontics, a leading orthodontic practice, is proud to announce the celebration of its 50th anniversary of serving communities in the Upstate of South Carolina.

The practice has been dedicated to providing exceptional orthodontic care to patients of all ages since their doctors began practicing in 1973. Their doctors and staff have stayed current with orthodontic advancements, and adapted techniques and technologies proven to increase patient experience and comfort. Today, the practice offers modern and efficient treatments including Damon™ self-ligating braces, Invisalign® or Spark™ clear aligners, and many more.

Nth Degree Orthodontics stands with the American Association of Orthodontists (AAO) recommendation that every child should receive an orthodontic evaluation by age 7. The practice holds a standing offer on complimentary orthodontic exams for all new patients (a value of up to \$400).
