

# Biller Genie Ranks Among Highest-Scoring Businesses on Inc. Magazine's Annual List of Best Workplaces for 2023

MIAMI, FLORIDA, U.S., May 9, 2023 /EINPresswire.com/ -- [Biller Genie](#), an award-winning AR automation and B2B payments platform, has been named to Inc. magazine's annual Best Workplaces list. Featured in the May/June 2023 issue, which hits newsstands on May 16, 2023, and prominently featured on [Inc.com](#), the list is the result of a comprehensive measurement of American companies that have excelled in creating exceptional workplaces and company culture, whether operating in a physical or a virtual facility.

After collecting data from thousands of submissions, Inc. selected 591 honorees this year. Each company that was nominated took part in an employee survey, conducted by Quantum Workplace, which included topics such as management effectiveness, perks, fostering employee growth, and overall company culture. The organization's benefits were also audited to determine the overall score and ranking.

Biller Genie team members participated in Inc. magazine's employee survey, and provided their personal experiences and insights on topics such as management effectiveness, perks, benefits, fostering employee growth, and overall company culture. Biller Genie's total score averaged 92 out of 100, with 30 employees participating in the survey.

"We take pride in our culture, our supportive work environment, and the amazing people here at Biller Genie who have helped us become one of the fastest-growing AR automation and B2B payments platforms in the industry. We believe companies with great cultures are not only better for employees - but they're also better for business," says Thomas Aronica, Biller Genie's Founder and CEO.

"We're honored to be named to Inc.'s Best Workplaces of 2023. It is a true testament to how we've grown as a company over the last few years while maintaining an engaging work environment for our team and great results for our clients," added Garima Shah, Biller Genie's Co-Founder and President.

"Being named to Best Workplaces is an honor that only a small fraction of companies have been able to claim," says Inc. editor-in-chief Scott Omelianuk. "Proving to the world that you're a magnet for talent and have a culture that keeps teams engaged, productive, and proud to come

to work is a truly remarkable achievement.”
