Dr. Ryan Caudill is an accomplished orthodontist, an active member of numerous professional associations, a Top 1% [Invisalign](#) Provider, a proud father and a loving husband.

Dr. Caudill's interest in orthodontics stemmed at a young age. In middle school, he started working as a sterilization tech at his father's practice, Caudill Orthodontics! Dr. Caudill is known for his deep expertise, demonstrated dedication, and years of experience.

In 2015, Dr. Caudill was recognized for his clinical proficiency with Invisalign and was sought out to join Invisalign's exclusive educational teaching team on the "Align Faculty" as a "Key Opinion Leader".

For the past 17 years, Dr. Caudill has served families in Brevard County with personalized care and modern technologies in a family-friendly, welcoming environment.

As proud members of the community, Dr. Caudill, Dr. McNeight and their team participate in and organize numerous community involvement programs, including "Smiles Change Lives," their Fall Food Drive, and various local sponsorships in Brevard County, throughout the year.

Dr. Ryan Caudill, Dr. Angela McNeight and their experienced team create a positive environment for patients of all ages, and deliver exceptional five-star customer service at each visit. They use high-tech iTero® intraoral scanners, CBCT imaging, digital x-rays and digital photography to ensure accuracy and precision in their results, as well as maximum comfort for their patients.

Patients can choose to be treated with Invisalign® clear aligners, or choose between clear or metal advanced self-ligating braces on their journey to a beautiful smile that lasts a lifetime!

Known for their laidback, beachy brand, the practice features 500+ gallons of saltwater reef fish tanks filled with funky aquatic creatures in their patient treatment area. Additionally, patients commonly spot dolphins, manatees, and birds just a feet away during their appointments right outside the windows!

Caudill & McNeight Orthodontics invites you to visit one of their three locations in Melbourne, Merritt Island or Viera, and become a part of their orthodontic family.
