

# FlexCare Infusion Centers Achieves Accreditation With ACHC

OKLAHOMA CITY, OKLAHOMA, UNITED STATES, May 8, 2023 /

EINPresswire.com/ -- FlexCare Infusion Centers, an ambulatory infusion center providing infusion and injection therapy to patients with rare, chronic and complex conditions, proudly announces it has achieved accreditation through the Accreditation Commission for Health Care (ACHC) for its 28 ambulatory infusion centers.

ACHC is the highest accreditation available to ambulatory infusion centers. Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards surrounding high reliability, quality and patient care.

FlexCare is among the ranks of elite ambulatory infusion facilities that go above and beyond for their patients."

*Aaron Smith, CEO and Co-Founder of FlexCare Infusion Centers*

FlexCare's clinics have undergone a rigorous review and met or exceeded the official regulatory requirements of this distinction.

ACHC is a nonprofit organization that has stood as a symbol of quality and excellence since 1986. ACHC is ISO 9001:2015 certified and has CMS deeming authority for Home Health, Hospice and DMEPOS.

"FlexCare's ACHC accreditation demonstrates our ambulatory infusion centers' commitment to the highest quality patient care!" said Aaron Smith, CEO and Co-Founder of FlexCare Infusion Centers. "Each of the patients we treat at our clinics is facing unique health challenges. Maintaining this standard ensures we are always up to the task of providing them with the highest level of care across every clinic in the enterprise."

FlexCare Infusion Centers offers specialty infusion and injection therapies for several chronic and autoimmune conditions, including IBD, multiple sclerosis, rheumatoid arthritis, gout, thyroid eye disease and more. FlexCare's mission is to deliver the highest quality infusion and injection care

that is both accessible and affordable. They offer evening and weekend hours and are located in convenient city and rural locations across Oklahoma, Alabama and Arizona.

Since opening its doors in 2019, FlexCare Infusion Centers has helped thousands of patients on their journey to better health.
