

# Fobi Announces Record Third Quarter 2023 Earnings with 298% Increase YoY

*Fobi to host shareholder update call on Tuesday, May 9, 2023, at 9:00am PST/12:00pm EST to discuss Q3 2023 financial results.*

VANCOUVER, BRITISH COLUMBIA, CANADA, May 8, 2023

/EINPresswire.com/ -- Fobi AI Inc. (FOBI:TSXV) (FOBIF:OTCQB) (the "Company" or "Fobi"), an industry leader in harnessing AI and data intelligence to enable digital

transformation, is pleased to announce its third quarter 2023 (January 1, 2023 to March 31, 2023) financial results.

Fobi will hold a Webinar with CEO Rob Anson, CFO Annie Chan, and CRO Colby McKenzie to discuss the Company's Q3 Financial Results on Tuesday, May 9, 2023, at 9:00am PST/12pm EST. Registration for this webinar is on [Zoom here](#).

As a result of the demand and relevancy of our commercialized product stack, we are confident in our ability to continue our growth trajectory and close out our fourth quarter in record fashion."

*Rob Anson, CEO and Chairman of Fobi*

Rob Anson, CEO of Fobi, states: "I am very proud of the members of the Fobi team as they have all battled through and kept their heads down with laser focus on the execution of our strategy. We are beginning to experience great growth and momentum as our solutions are extremely agile, scalable, and highly customizable, making them ideal for businesses of all sizes and industries.

We are seeing strong demand for our products and

services as Fobi works to digitally transform and leverage automation to help businesses gain a competitive edge. As a result of the demand and relevancy of our commercialized product stack, we are confident in our ability to continue our growth trajectory and close out our fourth quarter in record fashion."

#### Forward-looking statements:

This news release contains certain statements that constitute forward-looking statements or information, including statements regarding Fobi's business and technology; the ability of Fobi to engage with industry participants to achieve its goals; the development of Fobi's technology; and the viability of Fobi's business model. Such forward-looking statements are subject to numerous risks and uncertainties, some of which are beyond Fobi's control, including the impact of general economic conditions, industry conditions, competition from other industry participants, stock market volatility, and the ability to access sufficient capital from internal and external sources. Although Fobi believes that the expectations in its forward-looking statements are reasonable, they are based on factors and assumptions concerning future events which may prove to be inaccurate. Those factors and assumptions are based upon currently available information. Such forward-looking statements are subject to known and unknown risks, uncertainties, and other factors that could influence actual results or events and cause actual results or events to differ materially from those stated, anticipated, or implied in the forward-looking statements. As such, readers are cautioned not to place undue reliance on the forward-looking statements, as no assurance can be provided as to future results, levels of activity, or achievements. The forward-looking statements contained in this news release are made as of the date of this news release and, except as required by applicable law, Fobi does not undertake any obligation to publicly update or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise. The forward-looking statements contained in this document are expressly qualified by this cautionary statement. Trading in the securities of Fobi

should be considered highly speculative. There can be no assurance that Fobi will be able to achieve all or any of its proposed objectives.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accept responsibility for the adequacy or accuracy of this release.
