

M&M International Steps Up to Support Stephen's Children in Egypt

The organization has provided fundraising and planning expertise to nonprofits for over 14 years

TORONTO, ONTARIO, CANADA, May 9, 2023 /EINPresswire.com/ -- [M&M International](#)—a leader in non-profit fundraising and missional transformation—is proud to provide its support for Stephen's Children, a non-profit organization dedicated to helping Egypt's most impoverished and ignored people.

M&M International's fundraising efforts and non-profit expertise will help Stephen's Children provide education, healthcare, food, and other vital resources to children in need. By partnering with Stephen's Children, M&M International is helping to make a meaningful impact in the lives of children and families in a slum district on the outskirts of Cairo known as Ezbet El Nakhl, supporting the foundation's mission to create a brighter future for all.

Founded in 1997 by Canadian Maggie Gobran, Stephen's Children, inspired by "Mama Maggie's" vision of inclusivity, spreads love and care to all of Egypt's abandoned individuals, regardless of their faith affiliation.

Stephen's Children has recently established a hospital with a walk-in clinic on the ground floor offering primary care services, including dental care, pharmacy, and emergency services. The center's upper floors are yet to be completed, and more specialized medical services will be available with the help of donors.

The foundation has appealed for donations to purchase essential medical equipment, including an ultrasound machine, an x-ray machine, and lab equipment, estimated to cost \$250,000. The

hospital aims to be fully operational by 2025, staffed by dedicated volunteers and employees, many of whom are from the slums and share in Stephen's Children's mission.
