ABOUT

Two creative giants, Brian 3rill and Lyio are thrilled to announce the release of their latest music project titled "Greatness II" – a bold and exciting continuation of their previous project. This collaborative album straddles genres of Afro-fusion and Amapiano, showcasing the unique talents of each artist and their ability to seamlessly blend different styles of music.

The 8-tracks project features up-and-coming, talented artists such as Omely Diz and Mxrss who featured on the singles 'Falling' and 'Radar'. Their collective talents have come together to create a unique sound that is both timeless and contemporary and emblematic of the kind of musical career that both artists want to build for themselves. Each artist brings with themselves a unique perspective to the project, producing a final result that they are proud of.

"Greatness II" is now available for purchase on all music platforms, including Apple Music, Spotify, and Amazon Music. The album is a must-listen for music enthusiasts who appreciate the beauty of collaboration and the power of music to connect people from different backgrounds and cultures.
