

As Profit Margins Tighten for Credit Unions, BUNDLE by Insuritas Provides a New Source of Non-interest Recurring Income

BUNDLE by Insuritas incorporates embedded insurance into financial institution ecosystems, building upon a critical source of annuitizing non-interest income.

AGAWAM, MA, USA, May 9, 2023 /EINPresswire.com/ -- The top 10 credit unions in the country

By partnering with Insuritas, credit unions can generate significant revenue from insurance sales while providing their members with valuable insurance protection."

Jeffrey Chesky, President and CEO, Insuritas

have faced significant challenges in maintaining their profit margins in recent months. With increasing regulatory pressures and intense competition from other financial institutions, credit unions are turning to new sources of revenue to stay afloat. BUNDLE by Insuritas provides an invaluable source of non-interest recurring income through insurance for financial institutions looking to grow and diversify their revenue streams.

BUNDLE by Insuritas is an award-winning, turnkey embedded insurance agency solution that provides financial institutions of all sizes with a complete suite of

insurance products to offer to their members. From home and auto insurance to life and health insurance, BUNDLE by Insuritas strengthens a financial institution's product portfolio to offer customers the insurance products they purchase every year, while deepening wallet share and building an important source of annuitizing non-interest income.

"Credit unions are facing increasing pressure to find new sources of non-interest recurring income," said Jeffrey Chesky, President and CEO of Insuritas. "BUNDLE by Insuritas provides financial institutions with an advanced, scalable, embedded digital solution that allows them to offer their members a full suite of insurance products without the need for additional staff or resources. By partnering with Insuritas, credit unions can generate significant revenue from insurance sales while providing their members with valuable insurance protection."

Financial institutions who partner with Insuritas are able to leverage BUNDLE's suite of predictive analytics and advanced digital automation in driving interested customers towards the agency to obtain an insurance quote on the communication channel of their preference. Insuritas' digital insurance assistant, Lily, is seamlessly woven into BUNDLE's online and offline automated

outreach and nurturing capabilities to maximize response and policy conversion rates, resulting in additional commissions for the financial institution.

Ultimately, BUNDLE by Insuritas offers credit unions and banks of all sizes the ability to generate a recurring, non-interest source of income through insurance products that their customers already purchase yearly. As net interest margins continue to decrease in 2023, Insuritas is confident that its BUNDLE solution will help financial institutions to not only diversify their revenue streams for the long term, but also strengthen relationships with their customers.

Donna Jermer, EVP & CMO at Insuritas noted, "As consumers continue to look for trusted platforms to shop and buy insurance through, financial institutions are rapidly emerging as the platform of choice where their customers can shop, compare, buy, and renew the insurance policies they need to protect themselves, their loved ones, and their most important assets. It's a powerful confirmation that a credit union or bank can play the critical role of trusted insurance advisor to their customers."
