

William Howard Taft University Offers a 100% Online Master of Public Administration Degree

One Degree. Endless Possibilities. Classes Start June 27th - Enrollment is Still Open

LAKESWOOD, CO, UNITED STATES, May 9, 2023 /EINPresswire.com/ -- [William Howard Taft University's Master of Public Administration \(MPA\) degree](#) program is an intensive, graduate-level course that can be completed 100% online. The program focuses on providing students with the skills and knowledge to become engaged professionals, serving in public policy to advance local, national, and international government, nonprofit and private sectors. As a versatile degree, it will equip graduates with the expertise needed to enhance public management and implement effective policies; while having the capability to meet the growing need of bridging between private and public sectors. Furthermore, it provides students with the capacity to make informed decisions by applying evidence-based analysis.

Among the careers that would benefit from an MPA degree are:

- Emergency Management
- Law Enforcement
- Risk Management

Master of Public Administration

*Gain the knowledge to lead
and make a difference.*

Start your Master of Public Administration degree

- Environmental Consulting
- City/Parks/Community Development and Planning
- Emergency Management
- Public Policy Administration
- Health Care Services
- Politics
- Human Resources
- Non Profit Foundations
- Public Relations
- Economic Consulting
- Education Administration
- Research/Data Analytics

These are just to name a few, proving that having an MPA degree can significantly broaden one's horizons and make a big difference in others' lives.

Through Taft University's small-sized classes and online education supported by knowledgeable faculty & staff, students are able to obtain current knowledge with flexibility, as well as develop skills that will help them reach their goals both academically and professionally. Not only is the school institutionally accredited, but its relevant curriculums have been highly praised.

All courses are delivered online, so the program does not require classroom or seminar attendance. With two learning modalities available (Independent Study and Directed Studies), students have the flexibility to choose the format that best fits their life, whether it is working independently at their own pace or with a cohort of other students with a faculty mentor to support them.

Aside from its quality and convenience, the MPA program is also affordable - tuition is only \$295
