

Canary Technologies and Maestro Partner To Bring Digital Guest Management Solutions to Hoteliers

Canary Technologies and Maestro Partner To Bring Digital Guest Management Solutions to Hoteliers

MARKHAM, ONTARIO, CANADA, May 10, 2023 /EINPresswire.com/ -- [Canary Technologies](#), the hospitality industry's leading guest-management system, is integrating with [Maestro PMS](#) to provide hoteliers the tools they need to meet evolving guest needs and operational challenges.

This joint effort provides a 2-way integration between systems and puts the power of Canary's Guest Management solutions like Check-In, Checkout, Upselling, Guest Messaging, Digital Tipping, and Digital Authorizations directly into the hands of Maestro's property-management system customers. Thanks to this new partnership, hoteliers that rely on Maestro PMS can now boost revenue, improve the guest experience and increase staff efficiency with Canary.

“

Maestro PMS is proud to name Canary Technologies our newest integration partner.”

Warren Dehan

provide better guest experiences,” said Harman Singh Narula, Co-Founder of Canary Technologies. “Efficiency and adaptability are important advantages in today's business environment for hotels, and this partnership will provide new ways for hoteliers to advance their competitiveness in the resurging post-pandemic travel era.”

“Maestro PMS is proud to name Canary Technologies our newest integration partner,” said Warren Dehan, Maestro president. “In today's new normal, it's critical that technologists find new ways to work together and help hoteliers deliver frictionless and memorable experiences that

keep guests coming back. That starts by making hospitality jobs attractive once again to employees, and giving staff the digital tools they need to communicate more effectively with management, guests and each other. Together with Canary Technologies, Maestro is creating a more enjoyable and productive work environment while making hotel operations more streamlined, efficient, and fun.”
