- Build personalized learning paths for leadership development.

#### About ATD:

For nearly 80 years, the Association for Talent Development (formerly ASTD) has hosted conferences to educate and inspire professionals in the talent development field. From the very first conference held in Chicago in 1945 which drew 56 attendees to today's international event, learning and development professionals have come to expect only the best from ATD conferences.

Our commitment to providing world-class speakers, thought leadership, and unprecedented networking and collaboration opportunities make the ATD International Conference & Exposition the premier event for our field. More than 13,000 professionals from 80+ countries rely on ATD's annual conference to learn about trends and best practices, discover new tools and solutions at the largest EXPO for training and development practitioners, and share ideas with peers who are committed to helping create a world that works better.

The L&D conference offers the depth and breadth of programming, EXPO suppliers, and networking that ATD's international conference offers. Discover it for yourself.
