CARY, NORTH CAROLINA, UNITED STATES, May 10, 2023

/EINPresswire.com/ -- Stirling CBD Oil, a leading manufacturer of high-quality CBD products, is proud to announce the release of its newest CBD-infused lotions: Aloe Vera & [Muscle Gel](#).

The new Aloe Vera & Muscle Gel lotions from Stirling CBD Oil are part of a growing trend of CBD-infused skincare and wellness products gaining popularity among consumers.

Be Beach Ready With Stirling's Summertime Aloe Vera

CBD, or cannabidiol, is a natural compound found in hemp plants that have been shown to have a range of potential health benefits, including reducing pain and inflammation, promoting relaxation and stress relief, and improving skin health.

“

Both the Aloe Vera and Muscle Gel lotions are made with the highest-quality ingredients, including our full-spectrum CBD, to provide effective relief for a range of conditions.”

Joe Kryzsak

The [Aloe Vera lotion](#) is specially formulated to soothe the skin, calm sunburns, and quiet joint pain. With 2000mg of CBD, this unscented lotion is perfect for those with sensitive skin or prefer a fragrance-free option. The 5.1 oz (150ml) size makes it easy to use at home or on the go.

Stirling CBD Oil's Aloe Vera lotion is perfect for those who suffer from dry or sensitive skin, as it contains aloe vera, a natural moisturizer that helps to soothe and hydrate the skin.

It can also calm sunburns and other skin irritations, making it a great addition to your summer skincare routine.

The Aloe Vera lotion is made with 2000mg of full-spectrum CBD, which is derived from organically grown hemp plants and contains a variety of other beneficial compounds found in the hemp plant.

It also contains aloe vera, a natural moisturizer that helps to soothe and hydrate the skin and is unscented, making it perfect for those with sensitive skin or who prefer a fragrance-free option.

The Muscle Gel is formulated with 2000mg of full-spectrum CBD and a blend of essential oils like camphor and eucalyptus, which help to increase blood flow and reduce swelling.

It also contains menthol, a natural pain reliever that helps to relax tight muscles and ease tension.

The warming sensation upon application helps to enhance the relief and relaxation benefits.

Stirling CBD Oil's Muscle Gel is designed for those who need targeted relief for sore muscles and joints.

With a warming sensation upon application, this gel is perfect for use before or after exercise. Packed with 1000mg of CBD, it delivers powerful relief when and where you need it most.

"We're thrilled to offer our customers these new [CBD lotions](#)," said Joe Kryzsak, CEO of Stirling CBD Oil. "Both the Aloe Vera and Muscle Gel lotions are made with the highest-quality ingredients, including our full-spectrum CBD, to provide effective relief for a range of conditions."
