to leave a meaningful legacy and positively impact his fellow human beings took hold. "Being a dad has and will remain the most important job I've ever had," says Brown, "but what did I do to help my fellow man? Am I leaving the world a better place for having been in it?"

Driven by an unwavering determination to help those less fortunate, Brown refused to let doubt consume him.

"There is no other way I can describe it other than I felt I

needed to use my life as a vessel to help those unspoken, a voice for the silenced," he reveals. "So, that's exactly what I'm going to do, and it starts today. To live the life I want, I need to speak up for those who don't have a platform. And to speak up for them, I first need to speak up for

myself."

Taking an unprecedented step towards reclaiming his voice, Brown announces his liberation from the shackles of silence. In an act of raw vulnerability, he shares his transformative journey and his truth in his own words. His groundbreaking podcast, the David Brown Podcast, debuting on February 9th, 2023, represents a significant milestone in his life. It signifies a newfound sense of freedom and marks a pivotal moment of closure and healing.

Brown's journey has been marked by an extraordinary struggle against the horrors of domestic abuse. For over 13 years, since summoning the courage to escape his abuser, he endured relentless stalking, harassment, and online defamation, perpetuating a pervasive atmosphere of fear. The constant dread of his abuser's next appearance and the looming threat of restarting the vicious cycle haunted his existence. "My abuser built up my life, just to burn it to the ground," Brown solemnly reveals, "to control me, to alienate me, to silence me."

In speaking out against his abuser and sharing his story, Brown courageously defies the stigma surrounding victims of domestic abuse. His intent is to instill hope and inspire others who have suffered in silence. "To every victim of domestic abuse out there, you're not alone. It does get better. I hear you, I see you, I believe you," he assures.
