- Stop doubting and start believing in yourself.
- Find real confidence that doesn't waiver in the face of circumstances.
- Get over making excuses and value yourself more than ever.
- If you've never been down, how are you gonna get up? If you ain't dead, you ain't done.
- Remember you are fearfully and wonderfully made. God sees that. You got this thing called life!

"If you've lost your way and forgotten who you are, this book will equip you to glean empowerment from life's lowest moments," Gravel says. "You'll start to change your perspective to realize mistakes can be stepping stones."
