

# Skills4Life Jumped into 2023, Already Hosting Events for Combat-Wounded Veterans

SAN ANTONIO, TX, USA, May 11, 2023 /EINPresswire.com/ -- Skills4Life is one of the core programs provided by Military Warriors Support Foundation. The goal is to deliver activities for combat-wounded heroes and Gold Star families. Their participation provides a chance to connect with other heroes and become involved in peer mentorship, the backbone of Skills4Life. The events held range from golf outings, [hunting](#) trips, fishing trips, sporting events and family-oriented activities. Recently Skills4Life held two different hunting events.

Skills4Life host combat-wounded veterans

The Busbee family generously hosted a hunt at their La Tromba Ranch in January. A group of combat-wounded [veterans](#) had a great time on this hunt. Every hunter knows that any hunt is a good hunt, no matter the outcome, and this group of Heroes and guides made this hunt especially fun. From the moment everyone arrived at La Tromba Ranch to the moment everyone left, all the Heroes and guides fellowshiped, hunted, and enjoyed the time away. Having the Busbees hunt with each Hero was an honor; every hunter was with a different guide. This allowed everyone to get to know each other and made for better conversation in the evening at deer camp. As a bonus, some amazing deer were harvested because of good advice around the dinner table.
