

BuildClub launches its On-Demand Building Materials Service in Boston

BuildClub, the Nation's fastest growing building materials supplier is adding 15 cities in 2023!

PALO ALTO, CA, USA, May 11, 2023 /EINPresswire.com/ -- The [BuildClub](https://www.buildclub.com/) is a Silicon Valley startup that offers same-day, on-site delivery of building materials – 7 days a week. Leveraging AI and Machine Learning technology, The BuildClub provides a disruptive alternative to home improvement stores and wholesale warehouses. The Company is currently operating in California, Arizona, and Nevada, and has grown 258% in 2022.

The BuildClub's mission is to liberate contractors and homeowners from the inefficiency of sourcing building supplies and materials. Providing a disruptive alternative to home improvement stores and wholesale houses, we offer same-day, on-site delivery, at the click of a button, and at a highly competitive price point. Since launching, we have been on the fast-track for growth, setting the stage for expansion into 15 additional cities in 2023.

The BuildClub has demonstrated significant growth and market traction. Since their launch a short 2 years ago, BuildClub has completed 5,000 deliveries of over 270,000 items. With 50,000 users registered on their website, 300,000+ website visitors per month and 10,000 active customers. Say goodbye to traffic and the long lines at home improvement stores.

According to recent data, the U.S. construction category is a \$250B industry and within this sector, there is a \$9B addressable “need it now” market. Additionally, the industry is composed of more than 680K employers, with over 7M employees, responsible for nearly \$1.3T in new
