VALENCIA, CALIFORNIA, UNITED STATE, May 11, 2023 /EINPresswire.com/ -- Chem-Dry By C & G, a top-rated carpet and upholstery cleaning service provider, is proud to offer superior carpet and upholstery cleaning services in Santa Clarita, Valencia, Canyon Country, Saugus, Newhall, Castaic, Stevenson Ranch, and surrounding areas. The company's cleaning process is Green Certified, non-toxic, and safe around children and pets.

The Chem-Dry By C & G team uses a unique cleaning process that involves using hot carbonated water to penetrate deep into the fibers of carpets, rugs, and upholstery to remove dirt, dust, and allergens. The carbonation process lifts dirt and grime to the surface where it is easily extracted, resulting in a deeper and more effective clean. This process also uses less water than traditional steam cleaning methods, which means carpets and upholstery dry faster and are less likely to develop mold and mildew.
