

# InstantPublisher Adds BQ-500 Perfect Binder to Publishing Toolkit

*InstantPublisher, one of the best self-publishing companies, purchased a BQ-500 Binder to improve InstantPublisher's already impressive book printing services.*

COLLIERVILLE, TN, USA, May 11, 2023 /EINPresswire.com/ -- InstantPublisher, one of the best self-publishing companies owned and operated in the USA, has recently purchased a BQ-500 Binder to add to their growing toolkit to improve InstantPublisher's already impressive [book printing services](#).

In a world where book banning and first amendment rights are a hot topic of discussion, assuring that authors can create books with diverse voices and points of view through self-publishing is even more necessary.

## BQ-500 Features

The BQ-500 Perfect Binder increases automation and is simple to use. Operators input information into the Binder via a touch screen. Having an automated process largely eliminates human error, adds precision to the binding process, improves workflows, and cuts production costs.

The BQ-500 Perfect Binder has an enhanced delivery system for thin books, increasing options for self-publishing shorter works.

The BQ 500 Perfect Binder can create up to 800 books an hour, decreasing wait times for self-publishing authors eager to get their books into the hands of readers.

The BQ-500 Perfect Binder has an improved glue application system and a book drop of only 5mm (compared to 150 mm), resulting in higher quality book production and lower chances of
