

Miss Viborg at NYC Independent Film Festival

'MISS VIBORG' by Danish filmmaker Marianne Blicher

NEW YORK, NEW YORK, UNITED STATES, May 12, 2023 /

EINPresswire.com/ -- The NYC Independent Film [Festival](#) offers great new releases in narrative storytelling. At the 15th edition one of those central focus points is 'MISS VIBORG' by Marianne Blicher.

'MISS VIBORG' by Danish filmmaker Marianne Blicher is a story about former beauty queen Solvej, who lives in isolation with her dog, her routine, and her shattered dreams. When she forms an unlikely friendship with her neighbor's daughter, the rebellious 17-year-old Kate, Miss Viborg's horizons widen. A treble female film from three different generations. Four, if we count the dog in.

“

This film stresses the importance of community and the transformative power of friendship.”

Marianne Blicher, filmmaker

'MISS VIBORG' Blicher's feature film debut. She was inspired by her own upbringing in a social housing area on the outskirts of Viborg, a small town in the middle of nowhere in Denmark. Blicher: "It is a declaration of love to my old neighborhood and stresses the importance of community and the transformative power of friendship. Reminding us that we all share the same human condition." A classic drama, light and funny in the right

places, but sinks its teeth in where it needs to and draws the tears.

Marianne Blicher is an award winning Danish filmmaker based in Copenhagen. She started her career working as a stage manager in theater and as a producer in film before she found her right path as a writing director. 'MISS VIBORG' premiered in Danish cinemas April 2022 and has been sold to several countries.

'MISS VIBORG' at NYCindieFF: Friday June 9, 2023 - at 7:30 pm - Theater 1 at the Producer's Club.
