

ALIGNERCO Makes Teeth Straightening Process Easier With AlignerTracker App

ALIGNERCO Launches Revolutionary AlignerTracker Mobile App for Teeth-Straightening

UNITED STATES, May 24, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- [ALIGNERCO](https://www.alignerco.com), a leading provider of affordable invisible aligners, has announced the launch of its revolutionary AlignerTracker mobile app. The app is designed to make teeth straightening accessible and convenient for everyone. The app allows users to track their treatment progress, receive a customized treatment plan, monitor wear time, and seek support from the ALIGNERCO team.

The AlignerTracker app is perfect for people who want to [straighten their teeth](#) from the comfort of their own homes. The app provides users with a step-by-step impression guide, which teaches them how to make perfect dental impressions at home. Users can then upload their teeth pictures to the app for a digital preview of their customized treatment plan, Smile Projection, which is the orthodontist-approved treatment plan. Users can approve it or request modifications through the app.

The AlignerTracker app enables users to keep track of their aligners by recording their daily wear time, uploading photos after wearing each set of aligners, and receiving notifications when it's time to switch aligners, making it easier to stay on track with their treatment plan. The app's 24/7
