“Somehow Jessica Henderson and Dr. Pat found my old website. They asked me if I wanted to host a show and to join their radio family; to expand my message and take my talent to their global audience. Something said “Just Do it” Even though I had no idea what we’re talking about. And then Dr. Pat coached and mentored me for the last five years. It’s been about that and more. I’m not green anymore! I’m able to talk in front of you and I’m able to share my ideas, bridge the gap between science and metaphysics. Dr. Pat coached me about the business. Helped me connect with a book again and publisher. On May 23, 2023. And the whole point of this is a shout out, a moment of gratitude to Dr. Pat and The Transformation Network Team, because they helped me see things about me that I didn’t see in myself or do things I wished I could do.”

- Dr. Sharon Martin, MD. Ph.D. and Host of The Maximum Medicine Show.
