

Super Star Jesse Daniels from Lifetime Athletic at Sky Becomes a Film Maker, Movie Star and Business Mogul

NEW YORK, NEW YORK, UNITED STATES, May 13, 2023 /EINPresswire.com/ -- Jesse Daniels, a former basketball coach from Lifetime Athletic at Sky, has achieved success in the entertainment and business world. After being selected to pioneer a new basketball coaching business in 2018, Daniels utilized his personal relationships gained from Rucker Park to create a successful partnership with the Brooklyn Nets and its Junior Nets program. This led to his promotion to Ultimate Hoops Coordinator, where he was given ownership.

Senior Managing Director of The United Group Companies, Keith Axelrod, has praised business mogul Jesse for his hard work and dedication to creating billion-dollar meetings, high level sporting events and real estate.

Axelrod said, "I've known Jesse for well over ten years. He was a classmate of my son in high school and played Varsity Basketball with him. Since graduating high school and college, I have watched Jesse achieve some pretty impressive things. His involvement with Dr. Oz was one; his involvement with major NBA Basketball stars through basketball programs at Sky was another. The making of a movie about Jesse and becoming a master influencer on social media and making connections with businesspeople at all levels has been fun to watch. He set up several key meetings for my company as well. In addition, Jesse introduced me to major players in the financial field like Morgan Stanley and others. I think Jesse could prove to be a valuable asset to any company."

In 2019, Daniels signed with Bervann Sport and co-hosted a gala at the Metropolitan Club in New York with \$5 trillion Assets Under Management (AUM) in attendance. Val Nzhie, CEO of Bervann,

said, "Big shout out our colleagues from the sport division and thank you to our friends at Morgan Stanley for referring Jesse to us. The sport wing of Bervann Capital partners with athletes and helps them manage their career, while exposing them to all Bervann Capital has to offer on the investment side - it's a tremendous upside as Bervann Sports encourages its protégés to bet on their talents, but also build or invest in entrepreneurial ventures that give them an overall edge and separate them from just being athletes."

After moving on from Bervann Capital, Jesse has utilized the knowledge gained from his prestigious circle to become an award-winning filmmaker and Movie Star. Daniels has made a name for himself in the film industry, having won multiple awards for his work. His films have been featured in festivals around the world, and he has been recognized for his work by the New York Film Academy.

Daniels has been praised for his ability to create compelling stories that capture the attention of audiences. His films have been praised for their unique visual style and for their ability to explore complex themes. Daniels has also been recognized for his work in the sports industry, having created events for several billionaire athletes.

In addition to his success as a filmmaker and movie star, Daniels has also acquired a vast number of resources along with an 18-month financial commitment from Creatives Rebuild New York, a \$125M initiative for artists to power his business. This financial commitment has allowed Daniels to expand his business and reach new heights.
