Inmagic has appointed Bruno Araujo as the new General Director for Latin America. Bruno brings a wealth of experience and credibility to his new role, having worked in the creative industry and technology for almost two decades. Prior to joining Inmagic Group, Bruno held senior management positions at multinational companies leaders, where he directed strategic projects for top-tier clients in marketing and technology industries

"I am excited to join Inmagic Group and help drive the company's growth across 123RF, Pixlr and Designs.ai in Latin America," said Bruno. "With its extensive collection of creative assets and a customer-focused approach, I believe Inmagic has tremendous potential in this market, and I look forward to working with our team to make it a success."

"I'm excited about the opening of our new office in Latin America and the appointment of Bruno as our General Director. This marks a significant milestone in our efforts to expand our global footprint and provide our users with greater access to our extensive collection of digital content. We believe that with Bruno's leadership and expertise, we will be able to accelerate our growth in
