Soul Doctor: A Joyous Broadway Musical in movie theaters JUNE 13th ONLY!

Soul Doctor tells the story of the beloved yet controversial father of popular Jewish music, Rabbi Shlomo Carlebach. A modern-day troubadour, Shlomo ignited the spirit of millions around the world with his soul-stirring melodies, transformative storytelling, and boundless love. After his childhood escape from Nazi Germany, the young Rabbi formed an unlikely friendship with musical icon and pioneer, Nina Simone, who introduced him to Soul and Gospel music, and a Jewish music and cultural revival was born. Fusing his roots with his new inspiration, Shlomo created a revolutionary musical sound, writing songs which continue to be the main body of Jewish musical standards. The “Jewish Gospel/Soul” experience he introduced to the synagogue worship remains the most popular of services across all denominations of Jewish practice.
