

Jesse Daniels Hires Security to Protect Assets, Connections and Business Meetings

NEW YORK CITY, NEW YORK, UNITED STATES, May 16, 2023

“I am committed to protecting my assets, connections and business meetings,” said Daniels. “I have worked hard to build my career and I want to ensure that my investments and business dealings are secure. By hiring a security

team, I am taking the necessary steps to protect my investments and ensure the privacy of my business dealings.”

Daniels's security team is comprised of experienced professionals who have a proven track record of providing security services to high-profile clients. The team is dedicated to providing Daniels with the highest level of security and protection.

In 2019, Daniels signed with Bervann Sport and co-hosted a gala at the Metropolitan Club in New York with \$5 trillion Assets Under Management (AUM) in attendance. Val Nzhie, CEO of Bervann, said, "Big shout out our colleagues from the sport division and thank you to our friends at Morgan Stanley for referring Jesse to us. The sport wing of Bervann Capital partners with athletes and helps them manage their career, while exposing them to all Bervann Capital has to offer on the investment side - it's a tremendous upside as Bervann Sports encourages its protégés to bet on their talents, but also build or invest in entrepreneurial ventures that give them an overall edge and separate them from just being athletes."

"We are proud to be working with Jesse Daniels to provide him with the security he needs to protect his assets, connections and business meetings," said the security team's spokesperson. "We are committed to providing Daniels with the highest level of security and protection so that he can continue to focus on his career and business endeavors."
