'The Life & Times of a Cubicle-Crazy Co-Worker!' tells the tale of a college grad, who is disillusioned by Corporate America, and must decide to either keep his entry-level job for future success, or save his sanity—from workplace buffoonery.

Comps of the present-day story include Office Space; The Office; Election; American Psycho, and some true events

witnessed by Nelson during his time working in Corporate America.

The two wins with the Vegas Movie Awards™ marks the Seattle-based Nelson as an 11-time VMA winner, which includes other unproduced, multi-awarding-winning screenplays.

Both the project and Nelson join a prestigious group of past Vegas Movie Awards™ winners, including accomplished filmmakers from over 80 countries, Academy Awards® winners, Emmys® winners, Golden Globes® winners, and BAFTA® winners.

Nelson shared this statement after the win: "The Vegas Movie Awards has been tremendously supportive.
