

COLLEGE DRIVE TEST PREP AND TUTORING PERMANENTLY CLOSES

Baron Educations' College Test Prep and Tutoring Close Business Operations

LAKWOOD, COLORADO , UNITED STATES , May 16, 2023 /EINPresswire.com/ -- Part of Baron Investments, made the difficult decision to close the Test Prep and Tutoring business at the end of April.

The landscape of college admissions test preparation underwent significant changes since the 2020 shutdown. With the cessation of testing and major alterations to college admissions policies and standards, the demand for test prep services plummeted.

Due to these challenges, and thorough analysis of the current and future business models for CollegeDrive, this was a difficult decision to make.

To CollegeDrives' recent customers: Families who purchased tutoring and or test prep packages in August 2022 through April 2023, you may request refunds for unused sessions by completing the brief electronic form emailed to you.

The deadline to submit the form is Thursday, May 18th. CollegeDrive aims to process all refund requests by the end of May 2023. If you have any questions regarding your refund, please contact us at 720-496-2244 or 720-496-2245.

(Transactions prior to August 2022 will be processed according to policies in place at the time of purchase and will be handled on a case-by-case basis.)
