"We are truly grateful for the generosity of The Venetian Resorts Las Vegas. Extreme heat and the need for water is an everyday need, in particular during the summer months in Las Vegas" Arnold Stalk, Ph.D, Founder SHARE Village Las Vegas. This summer we will be able to distribute thousands of bottles of water and emergency food to United States Veterans, elderly, families with children, and special need citizens many of whom would not receive much needed relief during the scorching summer days without this program. Those in need of water or emergency food can obtain needed items from the SHARE Village Las

Vegas Community Pantry. The community pantry is open to the public on Tuesday's and Thursday's from 8:00am-10:00am. Curbside pickup is also available via the Three Square ORDERAHEAD online ordering portal.
