

PharmaCircle to Showcase its New Business Intelligence Tool – Partnership Explorer – at BIO International

SUNNY ISLES, FLORIDA, UNITED STATES, May 31, 2023

/EINPresswire.com/ -- [PharmaCircle](#) will be showcasing [Partnership Explorer](#), a new analysis tool that helps business development professionals quickly identify external innovation and partnering opportunities. This new tool will be presented at the [BIO International](#) Convention between June 5-8, 2023 in Boston, MA.

With PharmaCircle's Partnership Explorer, you can easily explore and evaluate partnered and unpartnered pipeline programs and products by a host of filters including product name, molecule/API name, target name, company name, indication/disease area, molecule/API type, target type, mechanism type, phase, route, country/region, drug delivery category, and dosage form.

“Finding global pharmaceutical product partnership and investment opportunities is now easier than ever.” – said Kurt Sedo, Vice President, Product Development.
