

# Sofema Online provides EASA Part CAMO HF & SMS Recurrent Training

*Recurrent training for Human Factors and Safety Management Systems (SMS) is available on Sofema Online. More details are available in the material below*

SOFIA, BULGARIA, May 17, 2023 /EINPresswire.com/ -- Sofema Online (SOL) [www.sofemaonline.com](http://www.sofemaonline.com) is pleased to offer dedicated recurrent training for Human Factors and Safety Management Systems (SMS) which is fully compliant with the requirements of GM2 CAMO.A.305(g) in the specific case that the delegates have completed already initial HF training acceptable to the Competent Authority

The advertisement graphic features a blue background with a white airplane flying in the sky. The text is white and blue. At the top left, it says 'SOFEMA ONLINE Virtual Aviation Academy'. The main text reads 'EASA Part CAMO Safety & Human Factor Recurrent Training with Voice Over'. Below that, it says 'Now Available at www.SofemaOnline.com'. At the bottom, it states 'Sofema Online provides EASA Part CAMO HF & SMS Recurrent Training'.

## [EASA Part CAMO Safety & Human Factor Training \(Recurrent\) with VO](#)

With the introduction of Part CAMO, EASA requires the implementation of Safety Management Systems within all EASA Part CAMO organisations.

This 1-day recurrent course integrates both Human Factor and Safety Management System Elements fully compliant with GM2 CAMO.A.305(g) HF & SMS Training Requirements.

### Reality Check

The CAMO whilst not directly “hands on” sits in the middle of the maintenance story, communicating with both the operator and maintainer. It is critically important to ensure that all CAMO personnel are willing to engage with the organisation’s safety management system as well as to remain aware of the potential for human error-driven exposure at all times.

> Sofema Online Safety Management and Human Factor Courses provide Voice Over to ensure

value is added to the course and results in very strong positive [client feedback](#).
